

Texas Airports Council Scholarship

The Texas Airports Council (TAC) is a professional airport management organization providing membership services to airport professionals located throughout the State of Texas. The TAC, in memory of Juan Martinez, will maintain an academic scholarship for students who are studying aviation management and are currently enrolled in Texas colleges and universities or residents of Texas who are enrolled in a college or university outside the state.

Juan M. Martinez Jr., was the Midway Airport Manager, Midlothian, TX, and 2nd Vice President of the TAC Executive Board. Juan was an avid aviation enthusiast and loved flying. This scholarship was started in his memory by donations from friends, family and co-workers and through the dedication of TAC members and the TAC Executive Board who have set up procedures for a perpetual fund for this program.

The TAC offers one \$2000 scholarship to a full-time student who is actively pursuing a baccalaureate level degree in an aviation management related program. The scholarship applications are evaluated by the TAC Academic Relations Committee and awarded by the Executive Board.
